PROFILE SUMMARY:

Dedicated and detail-oriented B. Tech student specializing in Artificial Intelligence and Machine Learning, with a strong foundation in programming languages such as Python and proficiency in web technologies including HTML, CSS, and JavaScript. Experienced in database management using SQL. Proven problem-solving abilities and effective collaboration skills demonstrated through multiple academic projects. Adept at working independently and as part of a team. Eager to contribute to impactful projects in a dynamic, innovative environment while continuously expanding technical knowledge and skills.

EDUCATIONAL DETAILS:

- | | |
|---|-------------------------------|
| • DVR & Dr.Hs MIC College Of Technology,
(Artificial Inteligence & Machine Learning)
Kanchikacherala . (B.TECH) | 2022-2025
CGPA:8.87/10 |
| • DVR & Dr.Hs MIC College Of Technology,
(Electronics & Electrical Communication)
Kanchikacherala .(DIPLOMA) | 2019-2022
percentage:80.98 |

TECHNICAL SKILLS:

- | | |
|---------------------------------|--|
| • Programming Languages: | Fundamentals of PYTHON, Basics of JAVA |
| • Web technologies: | HTML, CSS, JavaScript |
| • Frameworks: | Bootstrap ,Git ,GitHub, VS Code |
| • Databases: | SQL,AWS |
| • Common skills: | Excel, PowerPoint, Word ,Linux / Unix, MS Office |

PROJECTS:

- **Alumini management system:**

The Alumini Management System is a web-based platform designed to bridge the gap between alumni and their alma mater. It facilitates communication, networking, and engagement among former students, faculty, and administrator

It is built using modern web technologies such as React, Node.js, Express, and MongoDB. The system provides features such as alumni registration, event management, job postings, mentorship programs, and institutional updates. Developed using Django as the backend framework, the project ensures a secure and scalable architecture

CERTIFICATIONS:

- | | | |
|----------------------------------|---|------------------------|
| • Introduction to block chain | - | Blackbugs(vois) |
| • Basics of Python | - | Hacker Rank |
| • AI&ML | - | AICTE |
| • Networking, Switching, Routing | - | CCNA(cisco) |

SOFT SKILLS:

Time Management | Problem Solving | Adaptability | Flexibility | Team Leadership

ACHIEVEMENTS:

Silver level badge for Python - **Hacker Rank**
